Committee Reports:

- State Fair Collector Car Show-(Bob Larson-Dave Smith) Initially we were only going to be allowed to leave the grandstand once until 7:00 PM, then we would not be able to leave as Renae was concerned people were leaving the grandstand area and giving out their tickets. George told her this was not true and this policy was unacceptable. They did agree to change the policy so people entering their cars for the show will receive a wristband and can come and go as desired. Cars 1990 and older of show quality are welcome to participate. Two show passes will be given for each car entered. Cars will be parked starting at 3:00 PM. The Front Fenders will be the entertainment.
